Please read the following information about participating in lessons at PCAMC:

INSTRUCTION

Private lessons will be provided weekly in 30-minute blocks. The appropriate books will be provided by the instructor at the first lesson (the cost of books are included in the registration fee). Each student will need to provide an assignment book for recording practice time and teacher assignments.

LESSON TIME

Please be on time for your lesson. If you are late, the time missed cannot be made up. If a student is 15 minutes late for a lesson, the instructor will consider that lesson cancelled. It is equally important to be prompt in picking up your child after the lesson, as the teacher will likely have another student.

MISSED LESSONS

If you know you will be gone or must miss a lesson due to illness or other unforeseen reason, the teacher must be notified. A make up lesson will be offered as long as the teacher has been notified in advance. If you do not call, there will be no make-up lesson or refund. If you cannot reach the teacher, call the school office and give your name, teacher's name, lesson time, and reason for missing.

REGISTRATION

There is a non-refundable, \$30 registration fee per student (\$40 per family if 2 or more students are registered).

MONTHLY TUITION

Monthly charges for lessons vary based on the instructor's professional training and years of experience. The monthly lesson fee is due the first week of each month, at least one day prior to lesson time. Checks should be written to *Providence Christian Academy*, with *Music Conservatory* written on the memo line, and turned in to the PCA office.

STUDENT EXPECTATIONS

Be prepared for your lesson by bringing your books and following your teacher's instructions about practice time. You are only with your teacher for 30 minutes each week; then it is up to you to practice and apply what the teacher has taught. Daily practice is expected, and an appropriate amount of practice time will be determined by each teacher. Parents, please be supportive and encouraging to your child and help them plan and record their practice time.
